### Homily Notes

At Caesarea Philippi Jesus asked his disciples;

*Who do you say I am?* Caesarea Philippi lies at the foothill of Mt Hermon in a beautiful landscape with scenic rocks, streams, and wooded areas. The city then was built on a rock that is over 100 feet high up and about 500 feet wide. Part of the city was considered as a sacred place and shrines to the Greek and Roman gods were erected there. Ruins of some of these shrines can still be seen today. Caesarea Philippi with its religious significance would seem a fitting location for Jesus' question and the answer from Peter. A catechist in a class once changed the question to read; *In the context of many gods, who do you say I am.*

Peter answered, *you are the Christ, the son of the living God.* It can be said that by acknowledging Jesus as the Christ, the son of the living God, Peter is declaring not only his vision of God but also a vision of himself, of others, and of the world. Jesus declared Peter's insight as coming from God and not from natural and human knowledge. *Simon, son of Jonah, you are a happy man! Because it was not flesh and blood that revealed this to you but my Father in heaven.*

Peter is given a name and a mission - *You are Peter, and on this rock, I shall build my Church.* In his leadership Peter would be the one to unite, inspire, and strengthen the community of believers. He would have the power of seeing the presence of the living God in the church (the body of Christ), and in all the members of the community. We too seek the grace to see the presence of the living God and to be rock foundations for the reign of God.

### Corona Thoughts

We come to church not because we must but because it is the gathering place for the community of Disciples of Christ of which we are happy to be members. It is the place where we support one another and where we collectively listen to the Word of God and are nourished by the Word of God.

For some time now, the corona virus has kept us apart. Bishops have told us that during the pandemic there is no obligation to go to Sunday Mass. We have been encouraged to stay at home and pray. What many thought was impossible, or sinful, became, albeit temporarily, the norm.

We all, I think, found this difficult. But some, led by the Holy Spirit, used the time to learn to pray and to read the Bible. Some families have found the gift of praying together. After this experience, they could be asking: why go back?

We come back because we are free members of the community founded by Christ; the community that is indeed Christ Himself here on earth, even marked by the wounds of our sin. This is the Community which is the feet and hands and mouth of Christ, which bears witness to Christ's loving and redeeming presence in the world in which we live. Our desire is to share this light, which enlightens our lives, with others who do not know and who do not live in hope.

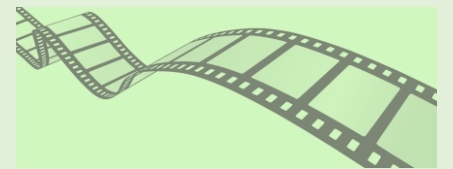

A recent document came from the Vatican about parish life. In it we find this paragraph: *"Over and above places and reasons for membership, the Parish Community is the human context wherein the evangelising work of the Church is carried out, where Sacraments are celebrated and where charity is exercised, all with missionary zeal, which, apart from being an intrinsic part of pastoral action, is a litmus test of its authenticity. In this present age, marked at times by marginalisation and solitude, the Parish community is called to be a living sign of the proximity of Christ through fraternal bonds, ever attentive to new forms of poverty".*

**Joe Savage** has a great number of cinefilms, slides, and VHS tapes with material on the history and life of the Parish. Before Joe became ill, he frequently spoke about transferring his films to DVD, but he never got around to doing it. We believe many people would be interested to watch some of this material.

We are looking for (a) volunteer(s) to watch the films and slides with the film projector and slide projector which Joe has and to select what is most interesting to be transferred to modern day media.

So, if you are interested and you have some time, please let us know! Thank you.

**Welcome to the streamed Sunday Mass at 9 am.**

As you are all aware, since the start of the lock down, we have been streaming Sunday Mass through Facebook. Although since Saturday the 11<sup>th</sup> July we can celebrate the Mass again together in the church, we have continued to live-stream the Mass on Sunday for all those who are still unable to come to church.

Starting Sunday 23<sup>rd</sup> August, we will open the church doors for those who wish to join us in the celebration of this Mass at 9 am. We will follow all the necessary precautions to stop the spread of the virus, like on Saturday evening.

And do not worry, if you do not want to, you will not appear in the recording!
